

NEIGHBOURHOOD PLAN – UPDATE

Parish Council gives the 'go-ahead' for
Public meeting - 29 February 2016 – 7.30 pm
Shavington Village Hall

The Council is holding another meeting on 29 February 2016 at 7.30 pm at which time a specialist Neighbourhood Plan Officer from Cheshire Community Action will be attending (Lucy Hughes). She will be able to outline the process for preparing a Neighbourhood Plan and answer any questions from residents.

In addition, it is hoped that, subject to his availability, Trevor Lightfoot who is Chairman of Wybunbury Parish Council will also be in attendance. Wybunbury Parish Council is at an advanced stage in the process and he will be able to outline the advantages of a Neighbourhood Plan and any potential problems which might face the Parish Council.

The Council approved Terms of Reference for the Steering Group on 6 January and at the meeting, residents will be informed of the arrangements for setting up the Steering Group.

Three parish councillors are currently drafting a leaflet about the public meeting and this will be delivered to each household in the parish, probably mid-February. It is acknowledged that there were some difficulties with the last distribution, but we have now acquired a full address list from Cheshire East Council.

If you have any queries, please contact the Clerk (carol.jones44@btinternet.com) or telephone 01270 812065.
